Dear Pastor & Friends,

Here it is a new year. I hope each and everyone had a wonderful year last year, but I pray this year will be even greater. It says in Isaiah 43:19 Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, *and* rivers in the desert. My desire is that this wonderful passage in the word of God will challenge you just as it has me to set new goals in two thousand and twelve. Allow God to use you, maybe in an area in your life God has been dealing with you on, that you've not yet yielded. Maybe some talents and gifts that God has given you that you've not yet used, maybe a new direction in his service.

The beginning of this year started a little rough. I had to cancel my first Revival this year due to the Flu. It's the first time ever in my ministry to cancel a revival. That was fun, but I'm back on track now.

December, I was in Illinois, Missouri and all over Texas doing Christmas concerts. I love that time of year, sharing the greatest gift this world has ever seen, the birth of Jesus Christ. While in Illinois doing a Christmas concert, a young man in his early seventies walk the aisle to receive that gift, Jesus Christ as his personal Saviour. Continuing in Illinois, not only did I have that great privilege of leading him to the Lord, I also had the privilege of Baptizing another young Brother in Christ.

November, once again I was in the great state of Florida the whole month, doing back to back revivals. Many great decisions for the cause of Christ.

October, I had Revivals every week in Texas and New Mexico, even had one in Abilene.

I've had a lot of people ask me about Southside Baptist Church mentioned on my last news letter. The tornado had destroyed the church and all the facilities. Through the help of many people working and volunteering, there was five thousand dollars raised to give the church, 30 or 40 baskets of groceries, gifts that were given out, it was called Christmas in July. After an hour or so passing out gifts, I shared a message. We had a wonderful service. Rev. Owens has such a tremendous spirit. He is truly on fire for God. They are continuing to have services there at the Seven day Adventist building and seeing souls saved. I was there in December, where the people have just the greatest spirit for all they have been through. There are pictures on my web site :
